

Soha Estates Improvement Grant Application

This is a grant that allows you, as a Soha resident, to make small improvements to your shared (communal) areas. You can request items like lighting, plants, fences or benches, etc. Please note: This grant is not for everyday repairs or work on individuals' homes.

After we have received your completed form, you will get a confirmation that we have received it. Your application will be reviewed by a panel made up of Soha staff and the Portfolio Holder for Estates (a resident who is a member of Soha's Members' Forum) at the next Estates Portfolio meeting, which is held every three months. You will hear back with the decision within a week after this meeting.

Grants of up to £500 per project are available.

There is an interactive form on our website at www.soha.co.uk/involving-you/my-community/ but if you'd prefer to print this one out and fill it in, please send back to the Estates team, Soha Housing, Royal Scot House, 99 Station Road, Didcot, OX11 7NN. If you choose to use the web form, we will call or email you to confirm receipt.
